

Sir

Cambridge 6th May 1778

Some time since I enclosed a Letter to you for Mr Leonard, the British Commissary of Provisions; not having received any answer I am induced to suppose, by some accident it has been mislaid, I would be much obliged to you to have it enquired into, as the Letter was upon business, at the same time request you will give the necessary orders for the forwarding the enclosed Letters to Mr Leonard.

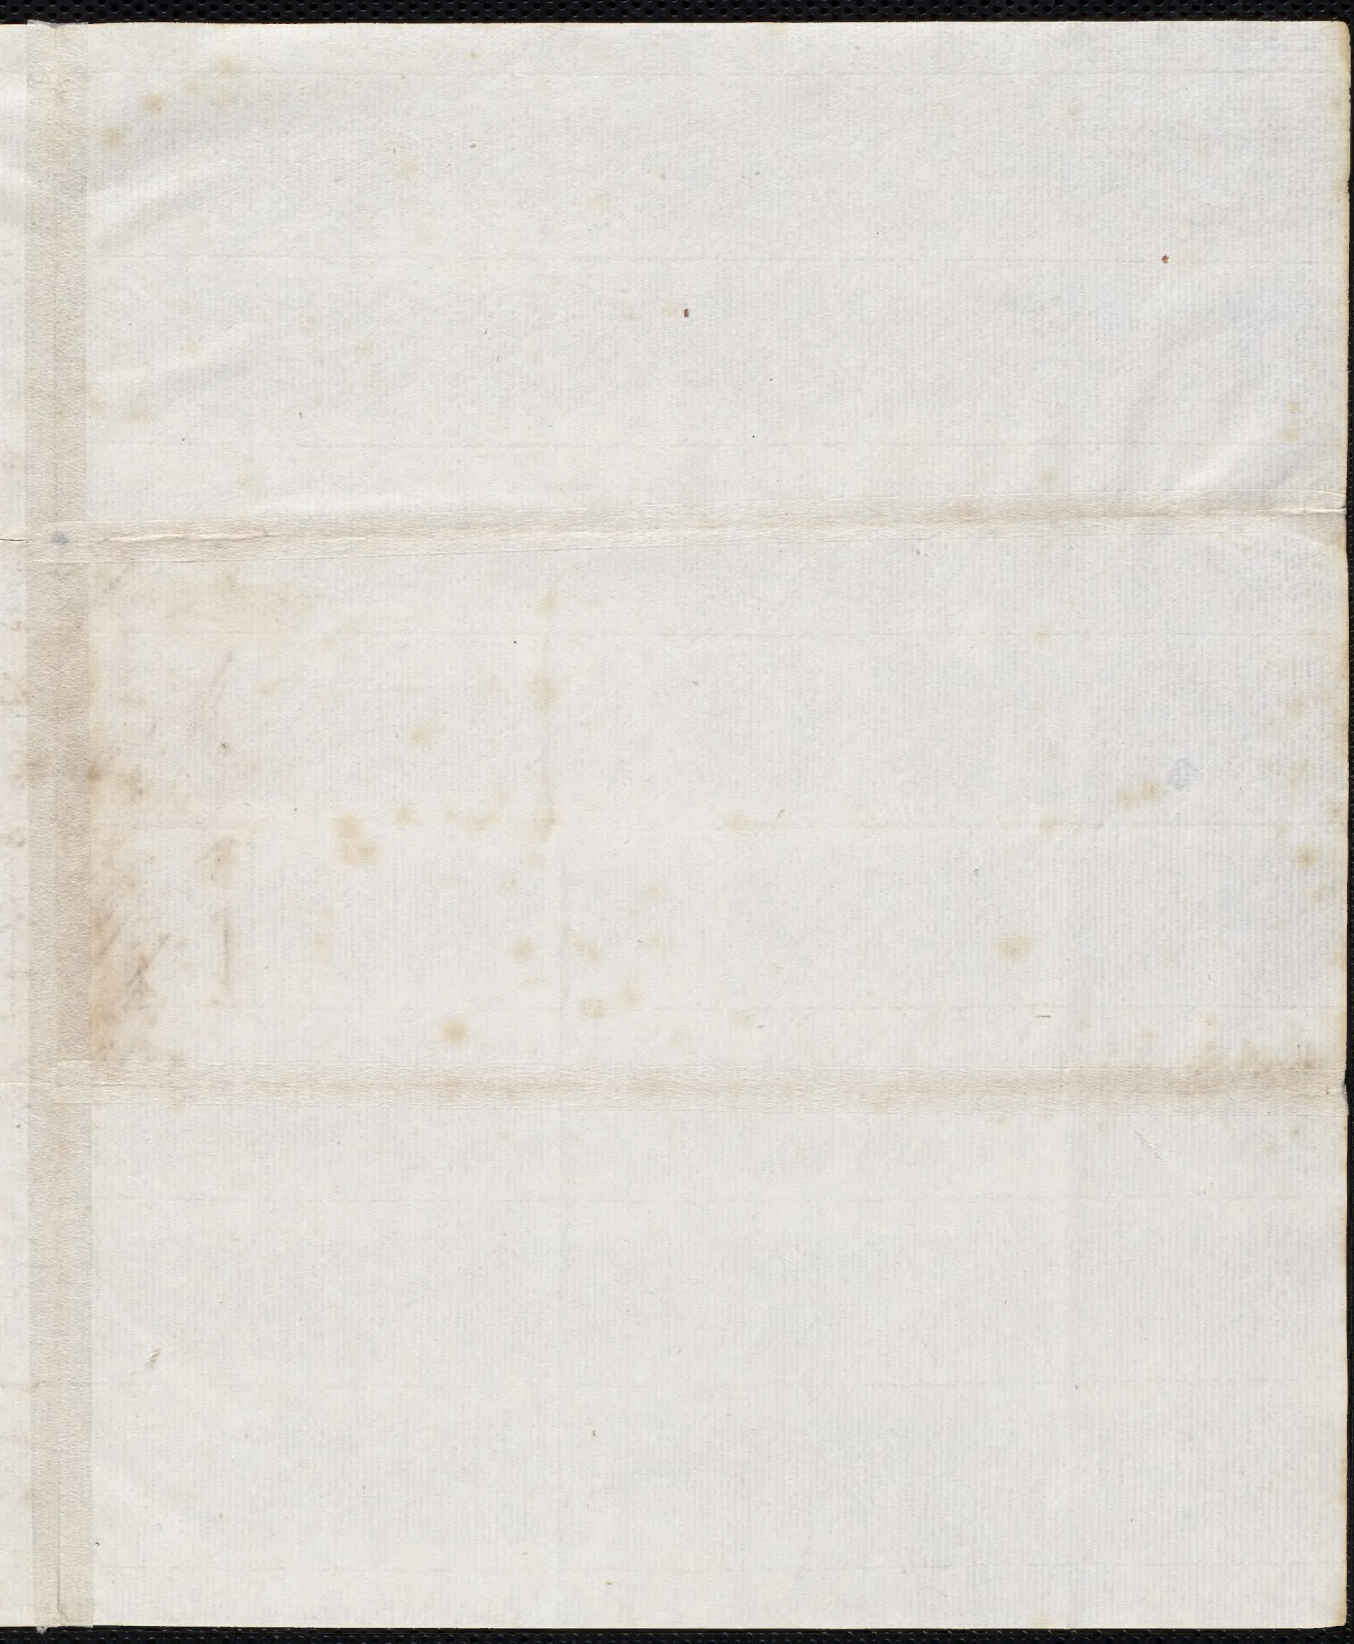

The Troops at Rutland being without money, I am to request a passport for Mr Giddes to go there with Cash; if possible should be glad he could set out on Monday next.

I am informed by Letter from General Maffey that he has sent me Twenty Newspapers, I would be much obliged to you to forward them as soon as convenient. I am Sir your most obed^t
humble servant

Maj^r Gen^l Heath.
